ACTIVITY SHEET

have fun and learn
some rail safety
on your journey
with the Smurfs!

spot the difference

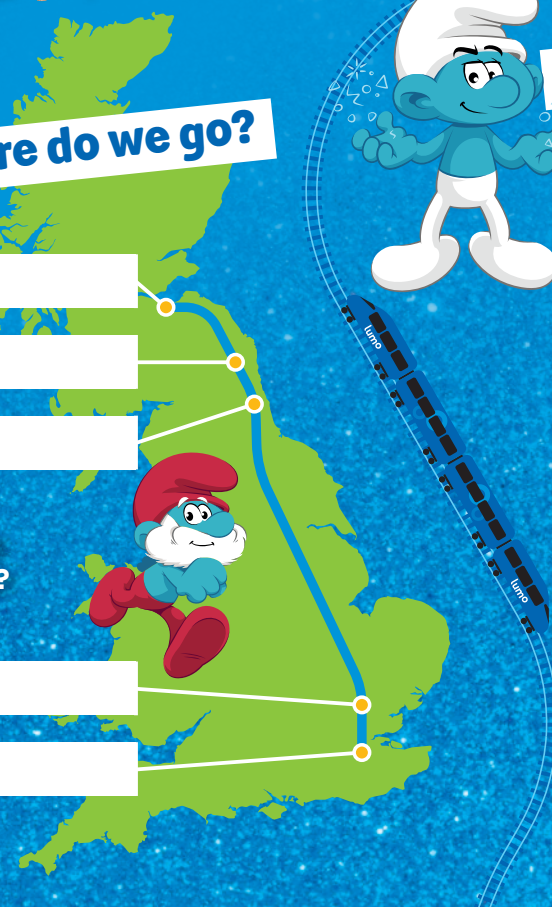

Can you help
Smurfette get
to the station 🚉
avoiding all the
level crossings 🚧,
mushrooms 🍄,
& runaway Azrael 🐈 ?

where do we go?

Can you fill in all
the place names?

true or false?

1. Escaped smurfs cause more signal failures than leaves on the line.
2. Trains run 24 hours a day, every day, so there's never a safe time to play near the tracks.
3. Lumo trains are much quieter than many other trains on the line.
